

Isaac Vidjrakou

VISITING PRACTITIONER: March 10th - April 7th 2022

Isaac is an international holistic therapist. His mission is to help you clean and unblock all the visible and invisible obstacles that slow down the process and evolution in life.

He has created a large range therapy menu, where you can choose the right healing experience that suits you in the present moment that you are, or also enjoy a personalized tailored program of his different treatments.
